

SOUTHERN CALIFORNIA SILVER CHAPTER 0211
UNITED STATES ARMY WARRANT OFFICERS ASSOCIATION

CW2 (Ret.) Wayne R. Mackey

Vice President & Emerging Technology Training Program Manager

Chief Warrant Officer Two (Ret.) Wayne R. Mackey serves as Vice President of the Southern California Silver Chapter. He is a retired U.S. Army Warrant Officer with 27 years of military service and more than 40 years of combined military, government, and private-sector experience in logistics, maintenance management, safety, leadership development, and emerging technologies.

During his Army career, Wayne held key leadership positions supporting strategic logistics, force sustainment, power projection operations, and equipment readiness throughout the Department of Defense.

As Project Manager for the SCSC/USAWOA Emerging Technology Training Program, Wayne leads efforts to connect Warrant Officers, veterans, students, educators, government agencies, and industry partners in advancing workforce development and technical education in artificial intelligence, cybersecurity, hydrogen energy, advanced mobility systems, and related technologies.
